Dear Parents/Guardian,

We realize that the holiday season can be very difficult financially for a few families in our district. As school counselors, we are trying to assist as many families as possible that are in severe need this Christmas.

If you wish your family to be included in this community outreach, please complete this form and return it to the school counseling office (or type in the information and email it back) no later than **Monday, November 10th**. **Due to time restraints, we cannot accept late requests.**

Thank you for your cooperation.

Piper Showen and Brenda Mackender,
Raymore-Peculiar Intermediate School Counselors
